BUILDING YOUR BRAND

ABOUT US

Studio Watt Solutions srls is the result of more than 20 years of experience of professionals in set up.

A similar synergy allows us to work on:

- installation of audio, video and lighting.
- preparation of booths, settings, art exhibitions, fashion events.

3D DESIGN

3D design represents virtual reality. The project will always be equal to the work done.

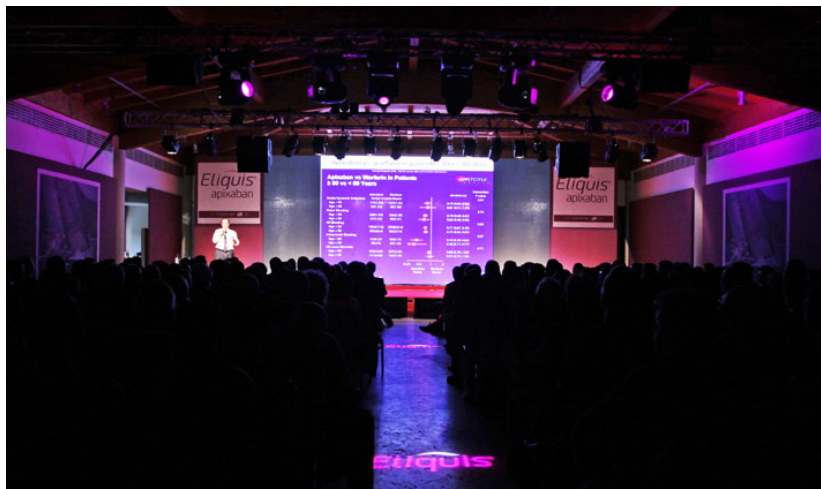

CONFERENCE AREAS

The design covers all aspects of communication, from signage to reception offices, all with light effects to increase the atmosphere of the event.
